

T. Michael Dougherty, MD

INTERNAL MEDICINE, ENDOCRINOLOGY

I've been working in healthcare since 1978, and I am board certified in internal medicine, endocrinology and metabolism. I decided to pursue a career in healthcare because I love biology and I enjoy helping people. I've been with CareMore since 1993, and I like that they put an emphasis on people first. When I'm not helping patients, I enjoy spending time with my grandchildren, playing golf and doing Sudoku.
